## SUPPORTING THE RNBT FAMILY

### **What is the RNBT?**

The RNBT is your charity; it exists to give financial and other help to what we collectively know as the “RNBT Family.”

### **Who are the RNBT Family?**

The RNBT Family is a short way of describing everyone who is eligible to be considered for assistance from the Trust. As well as serving and retired RN ratings and RM other ranks, eligibility extends to wives, husbands, dependant children and in some circumstances, unmarried partners and those who are separated or divorced.

### **What can the RNBT do for me?**

The Trust facilitates debt counselling and relief and can provide financial assistance for such things as:

- food
- house repairs
- disability aids
- clothing
- mortgage payments
- household goods
- rent
- medical treatment
- removals

### **I need help, how do I apply?**

Applications are usually made with the help of a RNBT, NPFS, SSAFA Forces Help or Royal British Legion caseworker.

### **Does my Divisional Officer need to know I've applied?**

No. All applications are confidential and are handled only by the RNBT staff and Grants committee members, all of whom are ratings or other ranks.

### **How long will my application take?**

Cases are considered twice a week which makes for a quick turn round time. The RNBT has a speed of response that very few other charities can match.

### **Who do I contact for help?**

Call 02392 660296 and ask to speak to one of the Grants Administrators, visit the RNBT website at [www.rnbt.org.uk](http://www.rnbt.org.uk) or contact your local RNBT representative.

### **I want to be involved; can I help or donate money to the charity?**

Yes you can. If you have the time you can serve on the grants committee helping others in need or why not consider a fund raising event?
